“ To me Dad was more than just a father he was my hunting partner, fishing buddy but, most of all my bestfriend.

I love you Dad and I and will miss you deeply you will always be in my heart...I can only hope I can become half the man you were.

Until someday we see each other again just know I love you, you will always be a part of me.

Love your son forever and always.

“ In remembrance of my dad. “Say not in grief ‘he is no more’ but in thankfulness that he was”.
