“ My heart was deeply saddened when I heard Craig had passed. Craig and I worked in the same industry pretty much our entire adult lives which is how we met. He was one of my oldest and closest friends. His happy personality and demeanor will stay with me always. Rest In Peace my brother.

“ I have great memories while working as a bookkeeper at Auto Adventure with Craig. One was that we shared a birthday April 18th. (not the same year though) I would always know one person would remember my birthday! My memory was that he was always very kind toward me. Sending the entire family my condolences and comfort. He was a great guy.

“ Fond memories of Craig and his easy going smile. Could always depend on him to find the answer and help out whenever needed. Condolences to his family and loved ones.

“ I enjoyed working with Craig for a lot of years. We teased each other a lot. Mostly about him being short and being old. Buddy, you left us way to soon. Hope there is a good fishing hole in heaven, you deserve it. RIP my friend.

“ Best time I had with Craig was golfing at persimmons at the Speed's Towing Golf Tournament. He was a good friend and a great guy.

My condolences to his wife and kids and the rest of his family.

“ I remember Craig always teasing me while he worked at Auto Adventure and would call me "Giggles" then Al and Patrick would join in. I was 19 when I first started working there. I've been back and forth 3 times now... This last time leaving at the age of 43 in 2015. Craig still working there, for their TownCar division... STILL saying, "Hey Giggles!" That's where I was able to meet Kim and Kayleigh when she didn't have school. Craig took my younger two kids out for a ride in one of the Teslas after their own father passed away. He was trying to help them by offering them a COOL RIDE.... they STILL talk about it, to this day! He didn't have to do it, he knew they thought those cars were SO cool so, he just did it. Thank you Craig!

“ Correction: I worked at Speed's Towing as a dispatcher, not in Auto Adventure.

“ There was an empty space in Speed's plane; Craig, along with Al and Speed were going to fly over Elsie and look for elk. We flew to Seaside and out over the ocean, landed, had dinner at Pig n Pancake and then flew home. I thank Craig for the opportunity to fly with Speed. Those were the golden years. With love and condolences, Joanie
