“ Dear Barbara and family. John and I were in high school together in The Dalles. He was a really sweet person. I do recall well that mischievous smile, though. He was funny and nice. I am very sorry for your very sad loss.

“ Dear Barbara and family. I was deeply saddened to hear of John's passing. John and I went to high school together. John was funny and engaging. When you had conversation with him, you always came away feeling better and with a smile on your face. Please accept my sincere condolences.

“ Dear Barbara, Helen and family. I grew up on 14th street with the kids from what we called "the 14th St. gang". John and I went all through school together. He was always a sweet guy. I am so sorry you have parted company here on earth too soon. You have my sincere sympathy. I am sure such a sweet person has a good place in heaven. Hopefully that is a comfort to you all.

“ There is never anything to say at a time like this that makes it any better. I am so sorry. My prayers have been and will continue to be with you, the ones closest to him, who have to continue on without him.

Love,
