“ I have so many memories growing up that I will always cherish; walking to Grover's for a soda phosphate, Oliver's for a candy bar, Lundberg's to buy paper dolls, swimming at the beach, trick or treating, singing in church and last but not least, the infamous time you decided to tease me about

a crush. :)

I love you.

“ We were so very shocked and saddened with the news of Mary's death. Mary was always a gentle, loving person and so very concerned for her family. Always had a nice hug for us when we would come upon her at her workplace. Our prayers would be for her loved ones for peace and comfort. Mary's smile will remain in our memory. May God bless all of her loved ones. Susan and Bill Sager, Muskegon, Michigan

“ When we were little, people mistook us for twins, except you were the quiet gentle one, and I was the noisy ornery one. Throughout your life you continued in your gentle ways to welcome many people into your life. Whenever we visited you in Michigan many friends stopped by, and you thought of us all as your family. Now you have returned to God, your heavenly parent, and we will miss you. I love you, Mary.

“ Dear Mom,

I know you are in a better place now. Mom I am sorry for all the trouble I have given you through the years but please know that I loved you know matter what I did. I know you tried to raise me, Daryl, and Dawn in the best way that you knew how. I am proud to call you my mom and that you were there for me when I needed you. You were the pillar of strength for me. I will remember the good things about you and that you will always be in my heart. I love you mom.

Alan

P.S. Mom I will see you in the after life when my time comes.
