Comments

“ He was a family member, brother-in-law many years, who was generous with his baking skills (weddings, events, grooms' cakes, etc) He supported family,community and church groups, school and neighborhood endeavors with enthusiasm and willingness. When he moved to Oregon, was missed, but kept in touch with family and friends through modern technology, sharing his photos of beautiful wildlife and Oregon 's backyard flowers, for it was natural habitat , and he, being an Iowa resident so long appreciated trees, plants & his daughter's family nearby, and enjoyed companionship (a people person) all his days. There are heart-warming remembrances too many to relate now, but will be heard by his family for years. We love our memories of those we can still reach through spiritual way of believing that we meet again, in a brighter promise still to come. Love heals .Sister & Aunt, Great-Aunt Catherine with many hugs and prayers for a beautiful loving family.
