Patricia Jo Chapman Knight Wiseman, 72, the daughter of Alvin B. and Mable L. Chapman, went to our heavenly father on Saturday April 16, 2011 following a long illness. She was a kind, gentle and loving individual. She was a graduate of Forest Grove High School. After high school, she lived in Seattle, Washington, working in the office of a steel factory. She married Jon Erin Knight, a commercial artist, who preceded her in death. Her father also preceded her in death.

Patricia returned to Oregon and worked for several years in the tax department of Washington County and also was a saleslady for Copper Craft. She wed Charles Wiseman, a Hillsboro Police Officer in 1963.

She dearly loved her children and grandchildren:

Progressively ill health in midlife made it necessary for her to live in a series of care facilities and nursing homes, but she kept her caring, loving nature and will be greatly

missed. But now she is at peace.

“ Dear sweet sister we will miss you. Your kind loving heart lets us know that you will have your place in Gods kingdom. Your loss has been felt by us all, but especially our 94 year old mother. On every trip to town her first thoughts were of something to make your life easier and your days brighter, during the 40 years that illness confined you to a life of constant care. She remembers how a few days before you passed that you had told her how much you loved her, a sweet memory for her. She also finds relief from her grief by knowing your pain is gone and you can now rest in peace dear one.

“ Dearest Aunt Patty,
I know that you are now at peace with the Lord. I have some very fond memories from my childhood about you. You always had a such a sweet smile. And I truly enjoyed doing your hair when we would get together after I moved back to Forest Grove. Rest In Peace, Dear One. You deserve it.
Love, Debbie
