

Phyllis Jeanne Allen

August 30, 1935 - July 25, 2021

On Sunday, July 25, 2021 Jesus reached down to take our beloved mother and friend Phyllis Jeanne Allen home. Phyllis was born August 30, 1935 to Hugh and Dorothy Brace in La Grand Oregon, and grew up in Redmond Oregon, graduating high school in 1953.

In addition to being a devoted wife and a mother she spent many years working outside the home as a bookkeeper and administrative assistant for various CPAs, the Bend Bulletin, and for several dental and medical offices. But, her favorite job by far started as a volunteer at Willamette Falls hospital gift shop.

There was a time when she loved to dance. She always loved to have fun. She had a very green thumb and loved gardening as evidenced by her beautiful backyard and home filled with flourishing plants. She had a mind of her own, and was rarely shy to share it. She was a follower of Jesus and an active member of Oregon City Christian Church.

She was preceded in death by husband, James Joseph Allen, and is survived by her brother, son, daughter (and spouses); Steven Brace (Karen), Thomas Gibbs (Linda), Debbie Stoker (Bruce); step children (and spouses) Kim Valdez (Steve), Jim Allen (Shelly), Arthur/Bill Allen (Michelle), Teri Taylor; 8 grandchildren and 3 great grandchildren.

A celebration of life will be held at Oregon City Christian Church on Saturday, August 28, 2021 at 1 PM. In lieu of flowers she would love to know you donated to the Cystic Fibrosis Foundation.

Comments

“ Jim and Phyllis were my next door neighbors for the past 20 years and I was blessed to know them both. Phyllis was a wonderful friend to me for many years and was actually the person I called late one night in 2017 to drive me to the hospital when my own mother was dying. She did so without hesitation and was a tremendous source of comfort to me during that awful time. I'm a better person for having her as a friend and wish to extend my deepest condolences to her family.

“ I am so very sorry for the loss of your amazing mom, Phyllis. Although I was never able to spend near as much time with her as I wish I could have, we remained in touch through social media, and she always made the effort to contribute something wonderful in my posts. I loved knowing that she was there, and that we had a connection through all these years and the space between us.
Your mom was the kindest person, with such an obvious joy of life, and an excellent sense of humor. I can still hear her laugh whenever I think of her, and I'll forever think of her with love. I'm so grateful to have had her as part of my larger family, and I will miss her deeply.
You are all in my heart and in my mind as you pay tribute to your mom. We love you...
