“ There's so many memories with you daddy. Singing with you and dancing with you in the car. All our laughs, walks, tears, smiles, talks. Nothings been the same since you left. Sometimes I truly believe everything's harder since you left. I know you are such a handsome angel up there in heaven. I know your happy with your parents and brother and friends and extended family. But I want you to know how truly missed you are here on earth. Heaven sure is lucky to have you. I'd do anything to hug you. Thank you for visiting me in my dreams lately. I cherish every single bit of your visits. I love you daddy. Until I see you again.
Love your daughter Kimberly
