“ I met Richard in 1971 when "The Lord Led" was playing for the summer in a little Christian coffee house (His Place) in the basement of a Foursquare Gospel Church in Penticton, B.C., Canada. He had a three-piece band which included Don Ramos and someone else whose name escapes me right now.

Our little coffee house had a legal capacity of perhaps 30 people, but I can remember over 100 people sitting outside on the lawn and hanging from the windows to listen to Richard and his band.

These are days that were formative to me in my future, and I doubt that I'll ever forget Richard. I remember him buying my mother's beautiful ancient (1950s) Martin six string guitar for a pittance. It's probably worth 20 times what we got for it, but it went to a genuinely good home.

“ I knew Richard from camp days in Colorado. He and his group came to Camp Beulah and sang and then over the years as I attended L.I.F.E. and later moved to Canby, Oregon we met and visited from time to time. I remember the music, the smile, the joy, the handsome face and though I haven't had contact for many years, I will always remember his love of life. Our prayers go out to his family and pray for the peace of our Lord to cover them and strengthen them in their sorrow.

“ Ritch, I am grateful to have known you as a friend and teacher. You shared so much good humor and charisma. All that were fortunated enough to have you as a teacher were immediatly drawn to you. CCC will miss by far the best instructor. "Jr", "Thunder" and "Lightning" your dad spoke so highly of each of you, there is no doubt he loved his boys! I hope you will make your dad proud, and seek Jesus he'll direct your future as you pursue your goals and dreams. I am truly sorry for your loss. See you again in heaven Ritch!

“ Ritch was the most incredible teacher I have ever had. He gave his heart in everything he did and truly cared for all of his students. I will forever treasure the memories I have of Ritch... his humor, his devotion to his family and friends, and his larger-than-life heart. He will be dearly missed by everyone.

“ I too am a friend from long ago having met Ritch in Southern California almost 35 years ago. My love to His many friends and of course Ritch's extended family. Please know you are in my prayers. You are precious to me and to our Lord, Jesus.

Pastor Sam Miller - February 08, 2010 at 12:00 AM

“ I don't think anyone in Ritch's current life would know me. My former name was Devine. I met Ritch when I was about 13; just after I asked Jesus into my life. Ritch (we called him Richard then) was bigger than life, and every 13 yr old girl had a crush on him. He evangelized at our church in Columbia City. He had a music partner whose name I think was Tommy...but not sure. They were magical when it came to worshipping God in music. I don't always look at the obits, and was shocked to see this person who I would never forget. He inspired me to know Jesus more. I don't know where Ritch was when he died. But my heart is with him and his family and my prayer is that God knew Ritch's heart and he will be in heaven with all those whose lives he touched.

“ I read of the loss of Mr. Espino and wanted to send my condolences to the family. May you find comfort in the Bible's hope of a resurrection as brought out at Acts 24:15. I hope reading this will bring you some comfort.
