“ Evelyn, I'm so sorry to hear of Roger's passing. I connected with Roger years ago and exchanged letters for several years and visited him once. He was friendly and generous with his knowledge of our Potawatomi family tree as far as he knew it. He told me great family stories that I will always treasure. I am glad that I had a chance to meet my first cousin, twiced removed.

“ Uncle Roger and I use to write letters back and forth when I was in High School. I wish I would have kept that up longer. He always remembered my birthday then my children's birthdays too. You will be missed.
