“ I saw Ruth at the beauty salon on 181st a while back. 90 and still a beautiful woman. We met through AHSGR, when I was studying Roth, Schimpf, and Gans, my grandparents. She was wonderful and I loved her the minute I met her. Love just exuded from her heart to mine. I still have an email she sent me years ago. So beautiful a message, I just couldn't delete it.

Chuck, know I'm thinking of you at this time and sending special blessings to you and wishing you warm and lovely memories of Ruth.

May God bring you peace at this time of grief.

And you showed so much love to everyone around you. And you where loved by so many.You will be missed by everyone who ever met you . Heaven got a real angel.
