“ *To my Brother,*

You have touched and inspired so many people in your short life. I still find it amazing that you hold no reservations about anyone that you meet, and I know you're meeting more where ever you are. Your brothers will grow into the men you always wanted them to be. I am truly saddened that I will no longer be able to make any new memories with you, but I hold the ones that I have very close to my heart.

I can feel you watching over all of us..and keep messing with us, we enjoy it :]

Ride strong my dear friend..

I love you Alex Badeau!
