“ *It's been 6 years now and I still cry when I think of you or when anyone says good morning sunshine. I miss you everyday. I hope I get to see you again someday. I love you cupcake.*

Ariel - August 13, 2015 at 12:00 AM

“ *Dearest Ashley, it's been a year now and not a second has gone by without you in my mind. I still have not come to terms with the fact that you're really gone. I still try to tell myself that you've just moved away and we forgot to swap information in the midst of all the moving commotion. You're still my best friend, the best I've ever had. I don't know if I ever told you that, but I mean it. We were so looking forward to college on the east coast together, and being eachother's bride's maids. I miss you so much and I hope you know that. We used to joke about dying all the time, and I never realized exactly how much it would hurt if I could never talk to you again. Now I know, and I would give anything to have you back, even for a day. Love you like a sister, always.*

“ Dear Ashley, I have not gone one day without thinking or crying about you. I have a book of memories, that is mostly about you. I'm sorry that I haven't done this any sooner, I couldnt bear to think of you anymore. I have tried killing myself to be with you. I can't bear to live in a world without you. I miss you so muc, if you could only see right now. I love you so much Ashley. You are still one of my best friends. One of the three that I have now. Nobody can ever replace you, I'm sorry that I was so mean to you right before you died. I didn't mean it. Ive gone to the psych ward because of attempted suicide 3 different times. Im sorry that I have made you feel like I haven't liked you, but we were friends just like the rest of us, Koreena, Jacob, You, Me, Matt, Nikki, and Karen. We were bestfriends meant to last forever, but now that ive gone astray, I cant be accepted anywhere. Ive been told multiple times that nobody likes me... I know that atleast you liked me as a friend. I've been abandoned by everyone accept you but I still love you, always have, and always will

“ Ashley,

I never had the chance to meet you but I have heard so much about you from your daddy. He was so proud of you and he missed you so much. I wish that I would have had the opportunity to meet you. Life is so short and you had so much to offer and so much ahead of you, this is just not fair. There is not a day goes by that I don't think about you and pray for your daddy to get through this. I know that you are up in heaven with grandma NOF watching over him. All I can say to everyone is live like it is your last day, laugh like it is your last laugh, and love whole heartedly.

“ Ashley, my heart aches daily from missing you. I want to see your smile and hear your witty banter. Listen to your giggle and see you curled up on a couch reading your latest indulgence. I miss you so much that I find myself weeping uncontrolably. I have seen many people die through the work I do, but when someone so close and special leaves you it effects you in a whole new way. You are a special young lady and I will forever cherrish the memories and love you have given me. Love Uncle "Bo"

“ *In such a short life there is more of a testimony to the love of God and your christian faith than in many who live a long life! You were and are such a treasure to your family and friends and will never be forgotten.*

Your family will always be proud of you and thank the Lord for the time with you that was given to all of us who had the privilege of knowing you. You were a gift from God and you ultimately belong to Him. May the Lord bless your mom and dad and comfort them until the day when their will be no more tears forever!

P.S. I still have the "quiet" sign you made me so I could get some work done! :)

“ *Words cannot express how sad I am for both of you. I feel we have another angel watching over us and I am sure my husband, Fred, will be taking care of Ashley as he so loved children.*

“ This is something I wrote for Ashley from Staci:

A=Angel

S=So Sweet

H=Heroic

L=Loving

E=Energetic

Y=So full of youth

It was not ever supposed to be this way,

you were supposed to outlive your daddy,

I was supposed to walk you down the isle some day,

You are Daddy's little girl.

It was not ever supposed to be this way,

your smiles were always supposed to be there,

I was supposed to be at your high school graduation,

You are Daddy's little girl.

*It was not ever supposed to be this way,
all your fears you were to share with me,
I was supposed to make them all go away,
You are Daddy's little girl.*

*It was not ever supposed to be this way,
all your hopes and dreams were supposed to be shared,
I was supposed to make them all go away,
You are Daddy's little girl.*

*It was not ever supposed to be this way
but now it will never change, so young, so beautiful,
so full of life that will never get to be shared,
but you will always be so very loved and so very wonderful to me,
you, Ashley Kay Nofziger, are and always will be "Daddy's Little
Girl"!*

I love you always and forever!

“ *My prayers and thoughts are with you during this very difficult time. Ashley will be missed more than words can ever express. I will never forget the first day I met Ashley. It was in the library at John McLoughlin Elementary. She was in the first grade... I was so impressed with her brilliance and love of books. I could't believe she was already reading chapter books with great enthusiasm. She was a joy to have in the library for 6 years. I will cherish every conversation and memory I have of Ashley. She has touched so many lives. God Bless and peace be with you always.*

“ May our loving Lord wrap His caring arms around you at this unimagineably difficult time. We are praying for comfort and peace for you all. Here's a promise that means a lot to us: "Peace I leave with you, My peace I give unto you; not as the world giveth give I unto you. Let not your heart be troubled, neither let it be afraid."

“ *Trust in the LORD with all your heart and lean not on your own understanding. Proverbs 3:5 Jesus wept when Lazarus died. He is weeping now because he loves all of you very much.*

“ *Nick, I am so sorry about the loss of your beautiful daughter. I wish I could find words that would relieve your pain, but I cannot imagine what they are. Losing a child is one of the saddest life experiences possible, and words of true comfort are difficult to find.*

Please know that I am thinking of you and your family. You have my sincere condolences.

“ Our VISTA Leader has gained permission from the Girl Scout Council to create a dedicated fund in Ashley's honor. The family will determine the exact use for the fund, but some ideas include VISTA horse camp, a specific camp, a scholarship, a travel grant, etc.

If you or someone you know(doesn't need to be from a GS family) would like to contribute to the fund, a check can be made to Girl Scouts with Ashley's name in the memo line. You can bring the donation to the service, or mail it directly to Girl Scouts.

If you have any questions please do not hesitate to contact me.
