“ I love that photo! what a beautiful smile she has. I remember you told me she loved gardening. I'm sorry I didn't get to meet her before she went to work in the Lord's garden. I know you loved her so.

“ Dear Grandma,

Thank you for your kindness, compassion and love that I have been so fortunate to experience over the last few years both through you and with your daughter and grandchildren, especially Ray.

Thoughts of your hugs, smiles and wisdom will always be a guiding force in my life.

Love always.

“ Dear Aunt Bea,

Although we will miss your sweetness, humor, and compassion; we will know that you are out of pain and discomfort, and in the arms of our Lord.

God Bless you, and someday we will all be together again.

With all of our love,

Bill and Betty
