She was very loved and always will have a place in our hearts .She will be missed terribly by all that knew her .She has many children, grandchildren and great-grandchildren too many to name but you know who you are! Mom is watching over you now. She will be greatly missed we love you Mom and Grandma

“ I have not seen my Aunt Bernidine since 1962. She and my mother were as close as two sisters when they were kids. Bernidine married my mother's brother, Thomas Jenkins. She was always a beautiful woman. May she rest in peace, perhaps now my mom and her will get together again..
