“ *Brendan Lou Mann Stewart*  
*2-7-1958 to 12-17-2021*  
*Brenny was a vivaciously beautiful intelligent strong compassionate personable and determined lady. If I ever had a sister, we were it to each other. We had our challenges, but we always reconciled and came back together closer than ever.*  
*Brendan was fun and funny with a wicked sense of humor and could sweet talk a beast to its knees.*  
*I miss her much to tears and I will always remember her as my true sister.*
