

Carol Lynn Wilson

April 13, 1949 - October 22, 2024

With heavy hearts, we announce the passing of our beloved Carol Lynn Wilson on October 22, 2024. Born in Oregon City, OR on April 13, 1949, Carol touched the lives of all who knew her with her unwavering kindness and selfless nature.

After attending Oregon City High School, Carol pursued her education and obtained an associate's degree from Clackamas Community College. She dedicated over four decades to the envelope sales industry, where her passion and work ethic shone brightly.

Carol's love for music flourished as she sang in a Sweet Adelines Barbershop chorus and even competed internationally. Her faith and sense of community led her to Trinity Lutheran Church, where she was an active member of both a Bible study group and quilting circle.

In her spare time, Carol found joy in knitting, crafting beautiful hot pads, and sharing her talents with others. She welcomed Taisei as her own son from Japan, extending her love and care beyond boundaries.

As we remember Carol, her love for the color purple and admiration for butterflies remain ingrained in our memories. Her optimism and infectious smile could light up any room, always putting others before herself.

Her life will be celebrated in a funeral service at Trinity Lutheran Church, where her spirit will live on through the cherished memories she leaves behind. A future ceremony will honor her boundless impact within the local MG club and the joy she found rallying alongside Roger in their beloved 1978 MGB.

Carol's legacy of love, compassion, and generosity will forever remain in our hearts. May she rest in peace, knowing she touched the lives of so many with her grace and unwavering positivity.

Carol was preceded in death by: Harold Heilman, Audrie Morgan

Sweetest Carol, will be missed here on earth, yet her life in Eternity has begun, finally! I'm so thankful to have known her. Between my husband and I we were her hairdressers♥️ for over 20 years . She and I would talk about our Savior the entire time, while I styled her hair. She loved her Rodger and we prayed for His restoration with God through Belief in Jesus 🙏 unto his Salvation . Carol was a devoted wife, and devoted daughter of the KING👑 I'M SO HAPPY TO KNOW SHE IS WITH HIM NOW!!! See you soon, my sister. Yours🙏Kacy

Carol was a friend since we were in junior high band class playing clarinets. We started college together and always kept in touch.frequently. She was one of my bridesmaids and joined Sweet Adelines with me to bring music back in my life after my divorce. She considered my kids her kids to help raise...even if it was only raising her eyebrow when she didnt agree with my parenting. The last time I saw her was a couple months ago but we had a few phone conversations since then, I was always amazed at how she could pick up a conversation from the exact point where we left off. An amazing friend. I will miss her dearly.
