“ *I was honored to have Mr. Millen as my principal at Ickes Jr. High school. Years later I was visiting my husbands best man and was introduced to his father. Suddenly I was face to face with Mr. Millen. Such a small world. He will always be deserving of honor and I can never refer to him as anything except MR Millen. Every person that was lucky enough to know him is feeling a profound loss. He was a great principal and friend. Condolences to his entire family.*
