“ *My name is Flora Mojica and a good friend of Cora Cousins in the Bay Area. Now that I found she is gone forever and resting in peace, my deepest sorrow and Condolences to the Cousins family.*

She is loved, remembered to have a big heart and always willing to help. She has been an instrumental on my healing process when I was ill and always there for me when I call her. We met several times for dinner and seeing each other occasionally for long conversation and exchanging ideas. She is very supportive and a guardian angel for me.

I missed her so much, Eternal Rest in Peace Cora! I Love You my Dear Friend, My Angel! Thank you for Being There for Me! With All My Love and Prayers, Flora..
