“ I miss you and think about you every day. I'll always be your little girl and someday you'll be riding shotgun with me in my new Camaro!

“ I worked with

Dale at Blount Industries in Lewiston, Idaho. After i quit working, I had the pleasure of babysitting little Tracie. I Really liked Dale, and have only pleasant memories of him.

“ Dale, we created the most beautiful child in the world together...thank you for my Baby Girl. I promise you, I will always take care of our baby. I remember bringing her home from the hospital, how worried we were when she sneezed so much, how we wondered what she would look like when she grew up and what she would become.

Tracie is your greatest legacy on this Earth. Never will a day go by that she will not miss you.

I'm proud of you for all of your accomplishments in life.

People who knew you always knew where you stood!!

I'll never forget the day you took me to vote in my first presidential election, Reagan's second term. The day he passed, you were the first person I thought of.

Our marriage wasn't always great, but we created the best gift this world could get in our Little Goose...always wanting her 'Goose Juice.' I wish you had been able to live and be a part of her future children's lives, to be there on her wedding day...for all of the Life Events that your presence will be missed.

I will always think of you when I watch "Wolverine" and "Dirty Dancing." And of course, any song by the Eagles. Oh, all those nights driving around in your truck on back roads...the good times will never be forgotten, and your precious child will always be loved.

May you rest in peace, looking down from Heaven on your Best Girl.
