“ *Condolences across the miles from Bob & Maria Swieciki & family. Rest in peace. We'll never forget the fun we had at the Bernie Sanders Rally with our City Island pals!*

“ *David contributed to his City Island community in New York by showing up in various ways, not the least of which was as a man of generosity and intentions for well being, and as a devoted partner to Jo. His pleasures as a reflexologist showed in his acts of service, his training of others, and his offerings at community street fairs. He was outspoken and active in water protection and in causes for the environment and for justice. We wish only the best for all those close to David.*
