“ I am sorry to hear of David's death, although too late to make amends. I only met you once, David, but felt an immediate bond and wished we could have been closer as siblings. I am so sad for your family and wish all the best for Janice and your children/grandchildren. God Bless.

“ When someone you love becomes a memory, the memory becomes a treasure.
~Author Unknown

If tears could build a stairway,

And memories a lane,

I'd walk right up to Heaven

And bring you home again.

~Author Unknown

You will be missed greatly and loved forever.

“ Dave....I will miss you dearly. Your laugh...your "ZZ Top" beard...The Pepsi always in hand....your smiling eyes above those Santa Claus cheeks....making everyone laugh...

You will forever be in our hearts....

“ David - You were your own man. You always did things your own way in your own space and time. This is the quality that I admired the most. Say hello to Mom & Dad when you meet them. I will miss you all.

Always,

“ Dave...

You taught me many things as we grew up. I will miss you more than you could ever imagine. I see your smile, I hear your voice, I see your walk...things that no-one can ever take away from me! Love from you little Brother will never fade.....

“ Uncle David - Sorry we missed you last weekend while you were down here. I'll miss your giddy little laugh and the way you shrugged when you laughed. I'll always remember your fondness for Pepsi and how cool I thought your bird tatoo was on your arm because the tail hung below your shirt sleeve line.

“ Perhaps they are not stars in the sky, but rather openings where our loved ones shine down to let us know they are happy.

Uncle David,

I know now that I have three amazing angels looking after us. It's hard to believe that you are gone, but you will NEVER be forgotten.

Your love, kindness, and sense of humor will truly be missed. You were an amazing Uncle! Wyatt will be waiting to hear you bowl with the angels one day.

With all our love....until we meet again.

Love you

“ I remember vividly horsing around with David in 4th grade at Calahan St School, getting kicked out of the special music class we were asked to join, and had to explain ourselves to our teacher, Miss Head. We tried to explain logically what we were doing, and David and I started to laugh...the teacher liked us, so she just smiled and told us to go to our seats!

“ Like Father Like Son...Papa Charlie has passed on the good genes to David...then to Timmy...grandson Jakob...and littlest grandson Zachary Hughman. The jokes, the hair, the love of speed and loud motors and shiny paint! Hot Rods and leathers! Family and Friends are top of the list! Pepsi a close second! Ha! I agree!

David would do anything for a friend or family member, just to help! He is a wonderful man. So very happy to have known him for 16 years of my life. It has brought many memories to tell a lifetime! I send my blessings to Janice and the family. I will always consider you part of my life...and Tim...you are a mirror of your father...and that is a wonderful gift!
