Davis Torgerson passed away May 23rd, 2025. Davis was born in Oregon City, OR to parents Joellen and his late father Jim.

He graduated from the University of Oregon with a Bachelors in Political Science and then went on to earn a Masters Degree in Education from Grand Canyon University.

Davis was a beloved part of many different communities. Davis spent years educating the youth in both Oregon City and Lake Oswego. He was a light of positivity and leadership for both students and his colleagues. His memory will live on with all of those people he was able to reach in the public school system.

Since his time in college Davis also worked diligently as a basketball referee. Through his hard work and dedication, he climbed the ranks of college basketball. Davis was able to work Division one basketball games as well as earning spots in numerous post season assignments. These were accomplishments that were very dear to his heart.

Davis touched many hearts and always valued kindness, family, love, and compassion for others. He leaves behind his Mother Joellen, brother Grant, sister-in-law Olivia, and dog Tucker.

As he always said, "The beers are cold, and the greens are slick up there in heaven."

Fairways and Greens, Davis.
