“ I met my husband at church in May of 1973. We were married on June 15, 1973. He passed away one month before our 50th wedding anniversary. Dennis spent most of his life in Oregon & worked as a welder & in construction. He never let his disability keep him down. He was the auto mechanic for our family & friends. When his body started wearing out, he turned to making car model kits. At the end of the day, he had more than 200 cars lining his model room. Dennis always worked hard & provided for our family. We have two beautiful children, Isaac Lee and Angela Carin and grand children, Nora Elen and Jason, Jr. I still cannot believe he's gone, but I am so glad he's not in pain anymore. I will love you forever, My Love. Rita Marie
