“ Aunt Dorothy

When my first baby, Melissa, was born in 1972 Aunt Dorothy brought me a couple of gifts for our newborn. The thing I will always remember is the gift of a package of disposable diapers! It was an almost unheard of luxury!

I remember being in her lovely home from time to time. I remember the 50th Anniversary celebration she and Uncle Gene hosted for his parents, my Grandparents, where many friends and relatives gathered to honor them.

Aunt Dorothy always wore a lovely scented perfume. One time I complimented her and asked her about it, and she said it was all about layering with lotion AND perfume.

I loved her laugh. The last time I experienced her smile and laughter was not long ago.

Just 2 years ago I had brought my dad to say his goodbye's to his only sister-in-law. He had made the decision to move to Utah where he would be lovingly cared for by his son and daughter-in-law. As they visited, I was not disappointed. Although they were both extremely hard of hearing, Dad was sharing stories and making jokes and she laughed and exclaimed, "Don always could tell a good joke to make me laugh!" We hugged goodbye; I enjoyed one last remembrance of her sweet scent.

*Having some fond memories today of my Aunt Dorothy!
With love to her family,
Kristine Nielson McShane*
