“ *Doug was a super cool guy, we will miss him! You could always count on Doug to help you do any project you were doing....just time him when and where....he was there. Great friend....Oh, the stories I could tell you about Doug. I loved his laughter....He went to Disneyland with us and our two kids, he loved our girls. Doug was a great husband to Debbie, and the two of them together you could tell they had a very speical love for each other.*

Doug will always be in our hearts...he touched everyone that ever met him.
