“ *I'm very sorry for your loss, Gloria.*

*I respected Doug for his principles.
He had solid, old-school beliefs with regards to his family which is always
important regardless of the trends of the day.*

“ *So many memories of Doug, I remember him helping his big brother Scott get his car ready for the races and help him in the pit crew . Doug even race some himself and got the nickname crash from his brother Scott. Doug also before he got his license would drive his brother's car around the block while granny was supposed to be watching him until he got caught. Doug even got the nickname little Chuck from his brother Scott as well.*
