“ *To the family of one special lady, Miss Edna Pudwill: I was Edna's dental hygienist at Dr. Weichel's office in Oregon City. I was worried about her when she quit coming in, as we had discussed her medical troubles on more than one occasion. I was retired from the office with Dr. Weichel a little over a year ago and miss all my lovelies there in Oregon City. I saw Edna at least 2-4 times a year, and of course, every time she would tell me that she was going to be "26 on her next birthday!" I have missed her dry sense of humor! Rest in the Lord's presence dear friend, until we meet again!*
