

Edward Allick

March 5, 1934 - March 29, 2019

At their home, in the early hours of March 29, 2019, Edward Allick under the care of Hospice passed peacefully. Within two hours, Mickey (Edith Anderson Allick) unexpectedly passed to join Ed and continued their love story together. She passed in the comfort of a family friend's arms and Nick by her side.

This love story began August 6, 1955, when Ed and Mickey were married and honeymooned in Skamania, Washington. Their amazing 64 years of marriage were in Oregon City where they began their family with their son, Nick Allick. They raised Nick surrounded by loving family and lifelong friends.

Edward Allick was born in Belcourt, North Dakota, on March 5, 1934, to Eva and Ashmael Allick. He moved to Carmel, California in grade school and then to Oregon City for junior high and graduated from Oregon City High School in 1955. He joined the army soon after graduation and served our county through 1961. While working at Crown Zellerbach full time, he attended Portland State College. In 1962 he received a Bachelor of Science in Education. He started his teaching career in Mulino, Oregon and then taught at Gardiner Junior High for seven years.

Edith Anderson affectionately called Mickey was born on July 11, 1934, in Colfax, Washington to Allen and Ruth Anderson. She grew up and attended school in Colfax, Washington. She moved to Oregon City in 1954 where she

met and married Ed. She began her career in business working as a carhop at Roakes (Foot Long Hotdog Stand). Her hard work and connections led to the business opportunity to purchase The Sausage Kitchen.

Ed joined Mickey at The Sausage Kitchen in 1970 and as it developed into a well-known business establishment for sportsmen in the community. Ed continued to serve Oregon City as an advocate for numerous community causes, a school board member, City Commissioner, and Mayor of Oregon City.

“ *My Husband Bill Finucane was one of Eddie and Mickey's long time friend. When I married bill it was my pleasure meeting Eddie and Mickey, Raymond and Eddie's parents. When I saw the boxing picture of Eddie, I asked him if he knew my Uncle Britt Glover (who was also a young boxer at that time.) The answer was yes and I can't repeat every thing Eddie said-except Uncle Britt knocked Eddie out! Any time Bill and I saw Ed and Mickey it was fun and many stories were told. I called Eddie a short time ago. We had a great conversation and he was still upbeat and telling me stories about his friend Bill and fishing. Ed and Mickey and family were the nicest people one could have for a friend and I am glad I got to share them with all the people who loved them as Bill and I did.*

“ *Ed and Mickey have been our neighbors for 26 years and you couldn't ask for better ones. Every big occasion in our lives Ed and Mickey showed up at the house with a beautiful smoked salmon for our friends to share. My girls always got the "special" candy bars at Halloween, and Christmas was always full of cheer. I served on the city commission with Eddie and while we always didn't agree we were always able to discuss our ideas and concerns even if it meant hollering from front porch to front porch. We have been blessed to have known Ed and Mickey for as long as we did and our thoughts and prayers go out to Nick and the extended family. They will not be forgotten.*

“ Mr Allick was my social studies teach at Gardiner. He led us through getting our social security cards and mine still has my 7th grade "signature" on it. We also made a world map for our semester project that I still remember enjoying so much. I was lucky to have him as a teacher and he left a great impression on me.

“ Ed taught at Gardiner with my Dad for several years. He was a great teacher and a great supporter of all of his students. When I received my teaching degree, I subbed for Ed many times that year. I hope all the memories of him and his wife help his family through their grief.

“ For the past twelve years Ed & Mickey have been wonderful next-door neighbors. I will miss their smiles, the way they always waved when they drove by, and our friendly chats over the back yard fence.

My three kids will always remember the Allicks for the way they made them feel special every Halloween. Every year on the night of October 31st my kids would knock on their front door, where Ed would answer with a bowl full of candy. As soon as he saw it was the kids next door, Ed would say “oh it’s you guys, hold on!” Then he would turn to set down the bowl of regular candies, go to the kitchen, and return with Mickey and a giant king-size candy bar for each kid. Ed and Mickey sure knew how to put a smile on someone else’s face.

I wish Ed and Mickey everlasting peace together, and I hope their family finds comfort in this difficult time.

With Love,
