“ *It's taken me a long time to find some way to respond to Eric's death. All of us who got to know him at The Vancouver Clinic were deeply saddened to learn that he had passed. He was such a bright spirit - the kind of person you like instantly and lastingly. Carol, your dedication and love were moving and inspiring. He was very lucky to have you by his side. There are no words that can accurately convey how his life and his loss have affected me. You are in my thoughts often and I wish all the strength, love, and help you need. - Sarah, front desk at TVC Oncology.*

“ *I Learned of Eric's death just two weeks ago. My heart felt sympathies go out to Eric's family during this difficult time. The recent photo of him on the beach reminds me of just how far away from home I am.*

God Bless you my friend

“ I just learned of Eric's death and wanted to pass on my sincerest condolences to his wife, children and the entire Evoniuk family. I remember Eric fondly from our days in school and playing sports together in Coos Bay. I am sorry for your loss.

“ I was surprised and shocked to see Eric's obituary in the paper tonight, 6/30. I used to work with Eric when he worked at Consolidated Freightways years ago over in NW Portland. The last time I saw him was at another co-worker's funeral, Joe Hodapp. I'm so sorry to hear of his passing and give my deepest condolences to his family and children. He was such a nice/kind person - I'm sure he will be missed! Again, my deepest sympathies, Ann Elder
