

Frederick Joseph Brehony

August 26, 1943 - September 10, 2010

Frederick Brehony, or Fred Wrong Way (his nickname with the PGR) left this world on Friday, September 10, 2010 leaving behind his wife Pat of 45 years, daughters Pamela and Kathleen, son-in-laws Dwight (David) and Phil, and grandchildren Mychaela, Savannah, Becker, Sydney, Karl and Kylie. He was preceded in death by his son, Freddy, in May. Dad was also a friend and brother to the men and women who serve with the Patriot Guard Riders (PGR).

Dad will be remembered by many who know him as a man who dedicated his life standing in a flag line to honor our fallen soldiers who paid the ultimate price for our freedom. Neither rain nor snow kept Dad from making sure that our military families and their soldiers knew how much he appreciated their service. Many times you would see dad go up to a soldier and proudly shake their hand and say "Thank you for your service".

But to us, his daughter's, he was our Dad. Always loving, supportive, encouraging, funny and always kept our husbands in line. We were blessed to have our father walk us both down the aisle to begin our life as wives and to

bless him with grandchildren that he loved with all of his heart. He was the centerpiece of family gatherings and camping trips. You could hear him cheering and scolding refs/umpires at sporting events. Dad would always, always make time for his family and we both know that he loved us, was proud of us, and he is here with us as we raise our families.

To his wife, he was her rock. Mom and Dad rarely spent many nights apart. Dad always remembered anniversaries and birthdays and showered mom with flowers (he even knew which ones she could tolerate!!) They enjoyed dancing and taking classes so dad could learn new techniques to swing his wife around the dance floor. They spent a lot of time on the road touring the country and visiting family and friends. Mom and Dad had a true undying love for each other.

For those of you who would like to pay your respects to Dad, you can do that on Tuesday and Wednesday, September 14th from 9AM - 5 and September 15th from 9AM - 8PM at Hillside Chapel in Oregon City. We will lay Dad to rest on Thursday, September 16th, at the Logan Pleasant View Cemetery on Springwater Rd at 2:00. We will then celebrate Dad's wonderful life at a memorial service on Sunday, September 19th, at Clackamas Bible Church at 4:00.

In lieu of flowers, the family requests that donations be made in his honor to the PGR in the care of Q Madp the photographer, PO Box 86888, Portland, Oregon 97286. For tax-deductible donations, donations can be made to the

Oregon War Veterans Assoc. PO Box 8043 Salem, Oregon 97303. Please put Iraq War heros oraganizion on the memo line.

“ Fred was the real deal; no pretense, no illusions. I enjoyed that immensely, He knew exactly who he was.
I know Bill enjoyed going on motorcycle "runs" with all of you, and he told me many times what a careful rider Fred was. We are grateful for the opportunity to join your family camping this summer, seeing Fred's nifty headlamp, trying to stay warm with out a campfire and experiencing the pickle-ball tournament(s) Fred was a natural!
I can't imagine how much he'll be missed, but it's obvious that he is the head of a terrific, loving family.
Keeping you all in our prayers.

“ Fred I was away all summer, we reconnected on 9/4 @ Corbett for the Jeff Lucas Memorial. We talked in the past of our commonalities. I was a Tin Can Sailor, I was from PA. also. You were a Yeoman & I a Radioman. I still can't fathom that we reconnected & caught up on summer activites & now you are standing the line in the skies. I will miss you friend & fellow Sailor. May God Bless you & your family.

“ I was honored to count Fred as a great friend. We did countless PGR missions together, sometimes meeting at Carver boat launch to ride together. We also rode to the Hells Canyon Motorcycle Rally together in Baker City the last several years.

We've had many wonderful conversations about the good things in our lives, and the bad ones, too, including the loss of Freddy in May this year.

The outpouring of love and affection for Fred is unlike anything I've ever experienced before... but he is so deserving. I just keep thinking, "Gosh, I wish Fred was here to see all this." Who knows... maybe he is.

Fred will never be forgotten by Rhonda and I, as well as many, many others. Pat, you'll continue to be a part of our lives until we join Fred. Our love and sympathy to you and the girls.

With humble respect,

Dennis Reynolds

“ I had the honor of RCing the last mission Fred attended. Fred had rushed from an appointment to get up to WNC in order to stand the flagline honoring a WWII veteran.

I will always hold my memories of fred near and dear to my heart.
God Bless a true American hero.

“ Kathleen, Pat & Pam

Our hearts are breaking for you. Lean on your friends for strength, and know how much you are cared about. Hold tight to the memories for comfort.

He cared so much about you girls, my first time meeting Mr. & Mrs. Brehoney was during a massive storm hitting the coast, when they drove out to check on Kathleen and the kids, and found our families hanging out together through the storm. As a military family, we are always so far from our own families and I envied this for a moment. Fred and Pat were so caring, and we have many memories since, as they accepted us always when visiting as if we too were family. I remember him always with a smile and a funny remark.

There are just no words that could possibly ease the pain your family has been through this year~ we can only offer our prayers and hope that peace comes and eases your heartache.

“ *Rest in peace Fred! You have been a guiding light for so many in this world. A man of character, compassion and conviction. Your generous acts of kindness, your sense of humor and your unfailing love for your family have always been a true testament to your values in life and you have touched so many in ways you probably never knew. God bless your family during this very difficult time. Let them not feel the pain from your departure from the living, but comfort and peace in knowing you have gone home to your Maker and now can bask in the glory of His love.*

“ *We've been privileged to know the Brehony family since the early seventies when we both lived on Bakers Ferry Road. Our children went to school together. In more recent years we have attended Clackamas Bible Church together. In all these years, we have known Fred to be a good and caring man, devoted to his family and, more recently, to the Patriot Guard Riders and what they represent. We thank God for the privilege of knowing Fred Brehony and look forward to spending eternity with him in Heaven*

“ My heart is broken for you and your family. Your dad's spirit of faith and forgiveness lives on in your beautiful words. Your ability to express such kindness in the wake of such tragedy truly reflects what an amazing person you are. On this anniversary of one of the most tragic events in American history, I can't help but to think your dad is leading the pack on the grounds of Heaven.

One of the Greatest Gifts and the most precious one can receive is the Gift of Life. For life has a plan for everyone! Be patient with life and life will be patient with you. Each moment is a precious gift, each year is a priceless treasure. Life is so special and life is so beautiful. But life can be so cruel at times. It can take a loved one away at any time. You can not take anything for granted!

You already know that for every tear I cry for you comes 100 prayers. Please lean me and all of your friends during this time. I cannot understand the reason for so much tragedy in your life this year, but hope that you find comfort in memories, knowing that I love you and am here to help. Much love and prayers. Heather
