“ *My dear cousin, I am so shocked to read that your Gary passed. I hadn't been able to get in touch with you from my busy life and now that I am able and just got on your site, I just couldn't believe it. My sincere condolence to you and yours. God be with you, love Suzana*

“ *Garry was the first blackjack dealer Mobile Music had when we started in 2000. His sharp wit and personality made him a customer favorite. I'll miss the way he answered the phone when I called to schedule him for events.. "Hey, Hey, Hey..where are we working today? What an amazing man. I'll miss my friend dearly!*

“ *Garry was a good man and a friend I have nothing but the fondest memories of working with him at the radio station. Garry, may you rest in peace.*

“ Garry was a super blessing in my life. I worked with him off and on since 2001. I have a voicemail message I saved of him singing the Old Spice radio jingle. He wrote one of my favorite radio commercials in which I got to do the voice of a space alien from Vortex. Garry always sounded genuinely thrilled to talk to me - and I think to pretty much every one else he knew, too. What a guy!

See you soon, Garry!

“ We are so very sorry to hear of Garry's passing. We enjoyed his time at the ice arena, along with the puppy dogs. What characters all of them were!!! We always enjoy talking to Garry and his four legged critters! They were always gracious to us.

“ Met Garry only a couple of years ago through a friend. Garry became a friend to me. We went to evening church together and discussed the Bible. After which we'd go for a Hamburger. Loved Garry
