“ So sorry to hear about the loss of a very sweet man. Gary took classes on and off here at CCC in the Social Sciences department. He was always very kind and proper about introducing himself to me whether by phone or in person every term he was here. He enjoyed learning and wanted to continue doing so here at the college. It makes me very sad that I will not get another opportunity to hear Gary's kind voice. Please know that he will be missed by many instructors and staff here at CCC. May you find peace knowing he is in a wonderful place.....
