“ *I had the honor of having Bro. Denny at my home for a BBQ a few years ago. I enjoyed his company very much and affectionately started calling him Bro Grandpa. Thoughts and prayers for the family.*

“ *My wife and I have some very fond memories of a cruise we made together some years ago with the Denny's and M. A. & Alicia Glover. His Christian character made a strong impression on us as we observed his life during our time together. It is our loss but we are certain that heaven gained a wonderful person with the passing of of dear brother Derrell Gene Denny. Our prayers are with the family.*

Respectfully,
