“ Nothing but fond memories of Uncle Gilbert and of Nancy who were always so kind and generous to me over the years. I will always remember how they looked out after me when I sprained my ankle at the reunion some years back.

“ Here we are in Michigan mourning the loss of such a good friend. The wonderful Love Affair between Gilbert & Nancy Davalos ended when Gilbert went to his Heavenly Home. This super couple won our hearts the first time we met them and we have been special to each other ever since. He lit up the world with his smile & easy mannerisms and will be so missed by us all.

“ We felt so privileged to get to know and work with Gilbert and Nancy in Yuma and Oregon City. Gilbert's love of working on and with his equipment was only surpassed by his love for ATVing. He was kind, loving, giving and one of the nicest men we have ever met. He will be greatly missed by all who knew him. He would offer help to anyone who needed it. Our thoughts and prayers are with Nancy and their combined families, whom he loved so much. God bless them all. Ed and Dianne

He would help anyone who needed help. We miss him. God has a new angel in heaven. More than likely this new angel will be riding an ATV.

Love and Prayers to Nancy and the family.

“ *Uncle Gilbert was very special to me. I have great memories of him picking on me and also giving me some great advice. One of my best memories is when he, Celia and Greg kidnapped me when we were in New Mexico and we went on a short road trip. We were all joking and laughing the whole time as Gilbert drove us to Toulerosa and back, it was great fun! Gilbert will be greatly missed. Kim*

“ *Family and Friends brings us back to Oregon each year. Now a part will always be missing for me. Gilbert, thank you for being the Grandpa to my kids that most grand children dream about. We will miss the four wheeling that you took us on each year, your trees, the big equipment and just the time you spent with us. Thanks for showing me how to ride a four wheeler, fork lift, motorized scaffold, bobcat, backhoe, back up a trailer, how to tie a knot and how to speak your mind with out saying a word. Thanks for taking the time.*

We miss you Gilbert. One day we will meet again on the other side.
