“ *I met Hilda over 50 years ago when she started dating my brother Ben. I even double dated once with them. After they were married Hilda set me up with a blind date with her friend Le whom I later married. After Le and I broke up, Hilda continued to befriend Le which I thought was very good of her. Hilda was very good for my brother Ben especially when he was in bad health at the end. I know Hilda loved her children and especially her grandchildren. She will be missed.*

“ *She always welcomed me into her home with open arms and a sweet smile on her face even Christmas day. I had always planned on stopping by to just say hello I am truly sorry I didnt. She raised 3 beautiful children whom i spent so much time with I always felt like family. My heart is broken*
