

Irene Gadberry

October 17, 1933 - September 14, 2022

Irene's legacy was one of great love, especially for her family. Throughout her life, she was always there to help anyone no matter the need. She had an unshakable love of God and her faith in Jesus guided her in all that she did. She was an example of faith to all those around her and she planted and watered the seed of faith in everyone she met. She spent her time in the service and caring of others and always put their needs before her own. She was loving, humble, faithful and full of joy and she will be missed by those she leaves behind. We all look forward to being with her again in Heaven.

“ *Irene-I will always remember how kind you were to me and how much you made me smile over the years when I would see you coming into the store. You really made an impression on me through the time I knew you, and you will always remind me of my own grandma. Praying you are with the Lord and in his comfort now.*
