“ *Uncle Jack, you will be missed. I will always remember your humor and great personality. I had a lot of fun with you and Aunt Patsy and the kids, when I stayed with you guys for a while back in the day. I'm glad I got to see you this past year before you passed on to a better place.*

Aunt Patsy and kids, our thoughts and prayers are with you all during this tragic loss. I'm glad Grandma and Dad could come out for a few weeks to spend with you. God bless you all.

Love,

Mandy

“ I had the extreme pleasure of working side-by-side with Jack for nearly eight years. He was always someone willing to share his knowledge, his opinion, and his experience with those around him. We shared with each other about the trials and tribulations with our families, and held each other up when we needed it at work.

He was a truly great man, and someone I will miss even more now that he has passed than I did when he retired.

Our prayers go out to Pat, Erica, Sara, and Isaac, as we have no concept of the kind of loss this is to them. May the Lord bless you, and comfort you during this time.

“ It's difficult to find words to describe the hurt that we feel after the loss of such an amazing friend. Jack was a great man, and a true friend. The pain of his passing brings tears, but the memories we all shared with Jack will always bring smiles. Weeks spent at the lake, camping trips, and late night games of euchre ... Pat and me against the scum sucking pigs. Or the times when I wanted to give him a hug and had to stand on a chair to reach. After all these years, it still makes me smile. Moments like those will always bring laughter and help us through this difficult time. Jack was extremely loved and he will truly be missed. Our thoughts and prayers go out to Pat, Sara, Issac, and Erica in this time of sorrow and we sincerely wish we were able to be with you during this difficult time.

Love Always,

Tom, Charlene, Jacob, Jamie, Brendon, and Maggie.

“ It will be the little things
that you will remember,
the quiet moments,
the smiles, the laughter.
And although it may seem
hard right now,
it will be the memories
of these little things
that help to push
away the pain
and bring the smiles
back again.”

*With Loving Memories - we'll always miss our favorite Euchre buddy
and all round great guy - Jack.*

“ I will miss my dad more then I will ever be able to express. He could always make me laugh no matter what. He was so brilliant with all the knowledge that he had. On more than one occasion he gave me some great advice that I use in my daily life today.

He is with grandma and grandpa now and I know they welcomed him with loving arms.

I will miss you dad...always and forever,

D1

Pat,

I wish I could be out there with you, Sara and Issac. I love you all very much!
