“ *I am sorry for your loss. From what I've read about Jacob, he was a great kid. Me and my wife were at the skate park that has his name memorialized. We'd set up a mini observatory to watch the 2017 solar eclipse. I've named it the Jake Hickerson micro solar observatory in his honor. I hope this gives you some comfort.*

“ *I am Ryan's mom. I am so incredibly sorry to hear of Jake's death. He was such a sweet boy. He spent a lot of time at our house over the last month, and was helping us Monday moving their friend Quinten. My most sincere condolences on your great loss.*
