“ *Our hearts are broken as we send our deepest condolences to Brent and Hannah on Jaime’s passing. Even though miles separated us, you were always close to our hearts. We will forever treasure the time we shared together in Florida and the memories we made. Jaime meant so much to us and will be missed more than words can say. Life feels unbearably short right now. Please know how deeply we love you and are holding you close in our thoughts and prayers. We Love you both- Gina & David Cuomo*

“ I can still remember so vividly the wide-eyed look of both joy and nervousness on Jaime's face as she and Brent left the JAFCO Children's Emergency Shelter with adorable Andrew who looked just like Harry Potter and then with her precious beautiful baby Hannah. Thank you to everyone who has fulfilled Jaime's wish of making a shiva donation in her honor. We are going to use the donations this year and every year in her birthday to bring the ice cream truck to the Shelter as often as we can, bringing smiles to the faces of these children who have endured unspeakable abuse, neglect and abandonment. We are also engraving a brick for Jaime at the JAFCO village where it will be forever. Jaime will live on forever in all of our hearts but especially her baby Hannah and now she will also bring joy to more children forever thanks to all of you. Here's the link if you need it. No donation is too small. Let's all do this today to connect with Jaime. Thank you! Sarah Franco
