

Janet Faye Adams

February 11, 1942 - January 13, 2022

It is with a heavy heart that we share the news of our Mother's passing. Janet Adams left this world on Thursday, the 13th of January, with family by her side. Those of you that were blessed to know her, know that she loved each of us with all of her heart. Her smile and laughter could brighten even the darkest day. Janet had long been a fixture in our community and was the woman that everyone called "Mom", because she treated everyone as if they were her own. Janet was truly the strongest woman; a lung cancer survivor and someone who faced every battle with unmatched bravery. Janet felt at home behind the bar - she was, without any question, the best bartender around. Janet loved to cook, write poetry, listen to good music and catching up with her girlfriends over a hot cup of coffee. She loved her annual camping trips on Detroit Lake and also spending time with her family at the Oregon coast. Janet is survived by her children: Tammy Rankin; David Rankin and his partner Kim Cappo; Shelly Rankin; Kelly Miley; Stacey Keetell and her husband Theo Keetell. Grandchildren: Mindett Dye and her husband Chris Dye; Chase Cawley; Cheyenne Miley; Caitlin Rankin; and Jayden Miley. Great Grandchild: Ellie Dye. Sister: Gayle Cole and her husband Rick Cole; as well as many nieces and nephews and the countless number of friends she met along the way.

None of us could ever be fully prepared to say "Goodbye" and we will long grieve the loss of such an incredible woman. Hold the ones you love a little tighter today. Tell them you love them every chance you get. If you'd like to

share a thought or memory of how Janet touched your life, we would love to know. Rest In Peace Mama. The final puzzle piece is in place. We love you. Our family is in the process of making arrangements for Janet to be laid to rest. We will hold a celebration of life when we can all properly join together to share in our love and appreciation for a woman so many of us will deeply miss.

“ I remember when I was young babysitting for Janet’s kids and I remember watching her put her make up on and fix her hair it just always fascinated me. She was such a gorgeous lady. She will be missed she’s up there in the casino heaven with mama playing cards and hitting those slot machines I can hear her saying ~Kid we’re going to win big ~ Peace be with her now and sending prayers for comfort to get through this difficult time for the family no one is ever prepared She left a legacy for sure.

“ *Granny, I miss you so much. I'm always thinking of you and you're forever in my heart. We have so many memories together.. Being with you was the best part of Christmas.. Coming over for dinner, watching blazer games, growing up at your house watching cartoons... the long heartfelt birthday letters you would write. I'm going to miss it all. I'm so grateful to have such a supportive and loving Grandma. I love you so much* 🖤❤️

“ *Mom, My heart is breaking and my whole body is aching. Lord, see the depth of my pain. I am facing difficulties, and I feel alone. Remembering the little things, like turning your bed down, getting our coffee ready to go for the morning, and doing our med's for the week ahead. And then I tell myself I am not alone because I know ALWAYS & FOREVER we will be together !!! Love you, Shelly*

“ Mom,

It's hard to believe that you are no longer just a phone call away. I already miss our "morning coffee" calls together & hearing your voice on the other end of the line saying, "Good morning Sweetheart! It's your Mama!". One of your last voicemails was before my surgery. You called to comfort me, to reassure me that I would be alright. Despite me saying that I wasn't worried, I know you knew I was scared. You always felt it when I was unsure. Listening to it now, I feel like those words were meant for me to hear in these times of sorrow (I can't stop listening to your voice". You said that everything was going be okay & you would be right there beside me. I know you will be Mom. I will feel you in every quiet sunrise & every beautiful sunset. I will think of you when I see a squirrel run across the fence or when I hear the sound of the waves crashing on the shore. I will raise a good cup of coffee in your honor & say goodnight to you before I fall to sleep. You will be in everything Mama. You will never be forgotten. We will share the wonderful times we had with you & how much of your heart that you gave to each and every one of us. "We may not be rich in money, but we sure are rich in love!" Yes, we are Mama. Yes, we are. Rest in peace now, you more than deserve it. I love you.

“ *Janet, also known as, David's mom. Or as Kelly's mom, Shelly's mom, Tammy's mom or Stacey's mom. And then I called you, Mom. Both you and I comfortable with that. What a feeling. So many feelings. As you will see, and I do believe you will, you were one of a kind. For me, you spread love with a sprinkle and/or a dash of discipline. I loved you then, I love you now and I will always love you.*

Kimmy "Sue"
Maybe another day we can talk about that.

Mom, I will think about you.
Mom, forever I will miss you.

“ *What a Gem. My Grandmother is truly one of the best. So many great memories I will cherish. I learned so much from her growing up and am so proud of the family she created and raised. Not enough thanks in the world for raising the mother I have, who is also my hero. Love you Granny 💜 See you on the other side*

“ My dear sister Janet,
I wish we could've had a lot more time together. You being the eldest of four and me the youngest, I feel as though I only just got to "know" you these past few years.
I was so amazed at how many people knew and loved you and I'm very proud of you.
I'll never forget the laughs and love we had with each other and I'm so grateful for those times, as few as they were.
I appreciate the deep talks we've had as it helped me understand things that I didn't before. You gave me so much more than I could've hoped for. I love you so much and I always will.
