“ *I first met Jauna when my favorite X Wife Susan Hair needed her hair done. Jauna was good at this among the other talents she was noted for. I also met her beloved dog at those times. Being a dog lover myself I certainly appreciate her love for Sassy. I sometimes think it would be wonderful to include provisions for my dog at my own future burial site. Jauna impressed me as a very personable soul of the most friendly kind.*

*On the side note though I would appreciate Aunt Susan's last name being spelled correctly as "HAIR". This being a small consequence compared to those grieving as I do at the passing of my mother May 4th, 2009. Her name is Gloria Hair. With Aunt Susan spelled wrong any mail you might want to send her may not reach her.*

*With sympathy to the family and sincerely, Jim Hair.*

“ Jauna-

*The world is a colder place without you in it. I will always remeber you as a great friend and a person who always cheered everybody up with your personality and smile!*

*"Remember Me:*

*To the living, I am gone.*

*To the sorrowful, I will never return.*

*To the angry, I was cheated,*

*But to the happy, I am at peace,*

*And to the faithful, I have never left.*

*I cannot be seen, but I can be heard.*

*So as you stand upon a shore, gazing at a beautiful sea - remember me.*

*As you look in awe at a mighty forest and its grand majesty - remember me.*

*As you look upon a flower and admire its simplicity - remember me.*

*Remember me in your heart, your thoughts, and your memories of the times we loved, the times we cried, the times we fought, the times we laughed.*

*For if you always think of me, I will have never gone."*

“ *My dear sweet beautiful friend Jauna.*

*I knew you for too short a time. Thank you for all the times you  
made my life better, for making me want to be a better person. For  
all the ridiculous guttural laughter. For tolerating my insanity, and for  
always being there for me. I love you and I know you will save me a  
seat.*

*Be at Peace!*
