“ *Dear Debbie and family. My sincere condolences to the family.*

I have such fond memories of growing up with her in my life because of my Mom, Mozelle. They worked at Sears together for many years and became good friends. She is now in the arms of my Mom. I tell myself this, "How lucky I am to have something that makes saying goodbye so hard". The missing her will always be an ache your heart. She was an amazing, kind and gentle soul I will always remember fondly.
