“ *We cherish how John would share his memorized Bible passage of the entire chapter of Luke 2 during Christmas. He was such an inspiration to us and our family.*

Our prayers are with you.

“ *We are sorry for your loss. My daughter Alexis had the opportunity of writing a school paper based on his life as a veteran soldier, and that's how we got to know him. Joanna, thank you for introducing us to a great man....it was an honor. You and your family are always in our thoughts and prayers.*

“ *Your son Jeff is a dear friend, and I am sure that many of his admirable traits were passed down from his father.*

“ I remember my Uncle John--

As a funny and warm man with a great laugh and smile.

He was kind and considerate. I recall many times Uncle John reached out to me when my dad was sick. He expressed concern and support.

Overall he was, and will leave, a proud legacy for his family and friends, and Olson roots. He was the kind of man they just don't make anymore, forged in challenging times during WWII on the seas in the Navy. Who always seemed so passionate about family and country.

Thanks Uncle John for being a valuable part of my life, for being a great uncle, and fine man.

My kind regards to his family, my Aunt Joyce, and cousins Jeff, Judy, and Joanna. You dad will surely be missed but not forgotten.

“ John Olson was my uncle. I remember him as my nicest uncle. Always interesting to talk to and he had neat hobbies that he would show us. I will miss him dearly but I know he is in a wonderful place now looking down at us. :)

Johnny was my wife's uncle and I always looked forward to being with him, Joyce and their family. I especially enjoyed Johnny's stories of his life in the navy. I will miss him forever. Looking forward to seeing him again one day.
