“ *Joyce was a very kind, sweet, special woman. She reminded me of my mom in many ways, and after my mom passed, it was always a comfort to see Joyce! For years, she belonged to our neighborhood bunco group, and even when she moved we all loved having her play with us each month. I'm so glad she was able to live to see her precious Hayley get married, and even though she'll be dearly missed, we'll remember her sweet spirit always.*
