CR

“ My dad always referred to Kathy as "the girl from the Courthouse with the pretty red hair". Kathy was a good friend. My kids loved her and she was always so loving to my parents. If you were fortunate enough to get to know her, you were a friend forever. I miss her laugh and the text messages to check in to see what's up. Kathy truly was a loving, giving, talented lady. As I type this, I am sitting near a picture frame Kathy made me a few birthdays ago and on my desk is one of my favorite birthday cards she made. Rest well, dear friend. Crystal

“ I still can not believe Kathy is gone. I saw her and Sandra not that long ago, and she kept saying we all need to get together for dinner, and not just say it, lets do it. Unfortunately it never happened. Life is so short, and may God bless her and her family! She will be so missed.
