“ *Kami possessed exceptional gifts of art that she used with God’s love and devotion. Our department benefited greatly by assigning her the duties of the first Forensic Artist for the Sheriff’s Office. Kami helped numerous victims close sometimes devastating chapters in their lives so they could move on and taught me how to answer the hard questions a victim would ask. She paved the way for me and other future artists with her solid values. Kami’s kind heart and tough motherly love will truly be missed.*

“ I knew Kami for many years. We both attended Oregon City Evangelical Church. We later worked together at the Sheriff's Office. She was very instrumental in getting me the job. I always loved to be with her. Kami was always happy and cheerful and a joy to be around. She will be missed, but we can all take comfort in the fact that she knew The Lord and is in Heaven with so many of our loved ones who have gone on before us. Rest well my friend until we meet again. I pray for peace and comfort for Gerry and the girls.
