“ *I am so sorry to here of Kim's passing. I remember her and her late husband John being the two of the leaders of the youth group at St Ignstius back in 1979-80 before they got married in Sept 1980. I remember their wedding day well because all of us kids in the youth group were invited to attend. Kim and John and Doug Damon and his wife Theresa were the leadership team back in 89-81. Those were fun times, and great people. She was a kind and wonderful person, and will be missed. I will keep you all in my prayers as you try to find healing and peace. I do understand your pain as my mother's funeral was at St Ignatius just two days before Kim's.*

“ We were lucky enough to know Kim and her late husband John over 20 years ago. Their children are a true reflection of them both and I know they must have been proud. The fruits of their love and family and friends were very present at Kim's service on Thursday. We were touched by her grandson being named John and that Sarah actually remembered us. We represented a large number of old friends and our entire families that knew Kim as a wonderful person. The loving display of pictures showed that her life with her children and her husband and his family was a life well-spent. We remembered "Life is messy" too and our entire circle of family and friends is here to help with anything at anytime. Don't let good friendships drift apart.

“ Loved her so much. she took a piece of my heart with her. She was a wonderful sister and friend and we had so many good memories and inside jokes that only her and I "got". Self-less Mom to her children and amazingly strong person I will never stop missing and loving her.

One of my most beloved lifelong friends. I will forever feel honored to have known her and to have had her in my life. I will never forget her smile, humor, and consistent consideration always for others over herself. I will miss her terribly, and look forward to when we meet again.
