“ *I'm Sharon, he was my cousin. He was the best, I remember when we used to stay at Aunt Doris's I always loved being there and remember how Larry could eat a whole bag of potato chips. We had some good times together and I will miss him. So glad we got to see him again at Uncle Duane's party.*

“ *I am Larry's cousin Sue. I remember Larry as a gentle young man. He was the only one I would let comb the tangles out of my hair when I was a kid. He had a crooked grin as if he just got away with something*

“ *I am his uncle Duane, and I remember him so well as a child playing with my kids. He always had a smile on his face and was so much fun. As he grew up he helped me several times working on Grandma Reeder's trailer house. He was always joking and laughing and was a very good carpenter. I will always remember his happy personality and his smiling face*

“ *I knew Larry since I was 10 years old. I think the first time was at Lori's birthday slumber party, and he was so nice and funny. You could tell through the years how much he loved his kids and even cared about their friends that grew up with them. Everytime I saw him he always had a smile on his face. He will truly be missed, but always be loved. My heart is with him and everyone who knew him. Lori, Christy, and Mitch, you guys were the light of his life. He will always be with you forever. All my ❤️*

“ *I have fond memories of Larry since I was a preteen! He was always welcoming and had kind words to say. He also had a great sense of humour and liked to joke around! I think my first memory of him joking around was when he took his eye out and asked if I wanted to touch it. Stated, they eye is always watching you! He will be missed and my deepest condolences to Larry's family for having to loose him so soon.*
