July 11, 1944 - May 30, 2021

Larry George Tellinghusen was born July 11, 1944 in Bismarck North Dakota to George and Elsie Tellinghusen who preceded him in death. Larry is survived by his wife Kara Tellinghusen, daughter Cam Vanover, daughter Chris Kemp, sister Georgia Moore and brother Melvin Tellinghusen. Larry lived in North Dakota until the age of six when his parents moved to Portland Oregon. Larry returned to North Dakota every summer to work on his Uncle and Aunt's farm. Larry enlisted in the Army when he was 17. While in the Army he was sent overseas to Vietnam where he served two tours of duty. When he came home from the war he worked and went to college where he received his bachelor's degree in computer science. He worked in that field for several months. He became a reserve deputy and went on to have a career in law enforcement for eighteen years. A few years after leaving law enforcement he married Kara Tellinghusen in June of 1989 and started an excavation business; Larry ran Tracks Excavation until he had a stroke in November 1997. He mostly recovered from that and started another business restoring and painting hot rods, he did that for many years until finally retiring. He kept busy working in his shop and talking with friends. Larry had his first heart attack on October 1, 2020 he was in and out of the hospital until January 2021 when they put four stints in his heart. He never really got better. On May 30, 2021 he passed away in his sleep. He should be remembered as an exceptionally good and loyal friend. He was always available to give advice.

“ *I remember we had a lot of fun at many Car Club events with Larry and you. Especially when we all stayed at the Elks RV Park. Dan (my husband), Jack and Larry were all sitting outside our motorhome. It was a challenge to see who could tell the tallest story. It was really a tossup who came out on top!!!! I think it was Larry!!!! We all had a great time!!!! Our thoughts are with you, Kara. From Dan and Karen Fitch*

“ Deepest sympathy to Larry’s family. I knew Larry through my brother Dwight and Grandpa and Grandma Golde. He and my bro were quite a bit older than me, 7-8 years. When Larry was back in ND for the summer and boys wanted to go see a movie my mom made Dwight take me along. Those darn boys made me walk a block behind and I had to sit 4 rows behind them in the theater. LOL. Who wanted to be seen with a little sister or wants a little sis to hear their conversation? Not my bro. I loved Grandpa and Grandma Golde and got to know their grandchildren. We all played in the apartment upstairs, made cookies, played chinese checkers, ate peas out of the garden and enjoyed the porch swing at night. All the neighbor kids would gather on their porch. Great childhood memories and Larry was a big part of them. DeNae Kautzmann

“ Larry was such a fun guy. We have many memories of car events and club meetings that Larry always made entertaining with a laugh or a joke. He was a good friend and will be missed. Many warm thoughts for Kara and his family..Jim and Sylvia Estes
